

# Take a tax break.

Right now, your business could be eligible for an additional tax deduction\* of between 10% and 50% of the cost of capital purchases, such as generators, welders, pumps, cattle crushes, scales, stockyards, field bins and more.

On top of the potential tax deduction, you could also earn Landmark Rewards points on selected Landmark merchandise.†

You could even finance your purchases through FarmerEquip or other finance options, so speak to your local Rural Finance Manager.

For more information please contact your local Landmark outlet.
