Thinking about protecting one of your most precious assets – your crop?

It's that time of the year when many broadacre farmers start thinking about protecting one of their most precious assets – their crop. Whether you're looking at renewing your crop cover or taking it out for the first time, here's a tip from your local Landmark team.

Get in early and allow Landmark to facilitate your crop insurance through our trusted alliances, WFI and (other than in WA and Queensland) CGU.

Insuring now will increase your financial security and protection for your crop for the coming season, plus you'll also be insured for longer, at exactly the same premium.

Together with our alliances, our team of Landmark Insurance Representatives gives you the benefit of local knowledge and demonstrated rural experience, with access to a range of crop cover benefits to suit all types of enterprises, including;

- Crop cover for fire, hail, chemical overspray and straying livestock
- Storage and transit cover for harvested seed
- Early cover for next season's renewal winter crops
- A variety of excesses
- Prompt and efficient claims service
- Easy payment through your Landmark Trading Account (conditions apply).

Don't risk it – Insure it NOW!
