

MUCHEA VEAL REPORT 07th JANUARY 2019

Muchea veal sale slightly increased in number to 164 head whilst Landmark yarded a total of 89 calves. Today's yarding was a mixture of locally bred steers and heifers and some light pastoral types.

Local bull calves met with slightly less competition from exporters.

Local bull calves realised values between \$400-\$520.

Local heifers were also met with lesser demand selling between \$220-\$440.

Pastoral steers were in short supply and sold to \$250 with a low of \$155.

Pastoral bull calves were also in short supply making between \$155-\$260.

Pastoral heifers met with even demand from the previous sale bringing \$100-\$175.
