

MUCHEA SHEEP REPORT 11th June 2019

This week Muchea trade sheep sale saw a total of 17,390 sheep and lambs offered and sold, in a line up equal to any quality yarding seen and values reached at Muchea. Local buyers and processors continued to support the market and returns reflected this with today's lamb market again improving on last weeks.

Lambs sold to a sale top of \$250.00 and ranged from a very strong \$185. All sold to strong competition and saw the market up \$8-\$15 to sell to a very good top of \$231 for wether lambs and a strong \$195 for ewe lambs. This strong market was reflected through all other lamb classes.

Ewe mutton presented very well with good weights and quality and saw values increase to close up by \$10 - \$15 with a peak of \$216, ranging from \$151 for best drafts and between \$140 - \$152 for trade weight mutton.

Ewe hoggets were better of quality than past sales, and under good competition, closed up \$15 - \$25 for best drafts which sold to \$205 to trade.

Wethers were of exceptional quality and good size lines were offered. Values also closed stronger by \$10 - \$15 with a top of \$210 to both processors and restockers alike.

Rams were firm on last week's sale.
