

MUCHEA CATTLE REPORT 09th SEPTEMBER 2019

Landmark reports 2238 cattle sold at Muchea Monday 9th September which represents an increase of 600 on last week, of this total 266 were in the calf sale. Once again, overall quality was plain with very few trade cattle available. These met limited enquiry to close barely equal.

Slaughter bulls started the day and fell sharply some by 30c/kg. Younger and store bulls to live export and feed also eased 20-30c/kg on quality.

Young local steers remained equal as did the heifers.

Medium weight pastoral heifers fell 30c/kg whilst lightweights were barely equal due to quality.

Heavy local cows dropped 30c/kg and this flowed on to other grades including pastorals.
